Freshers' Meet cum KUT Celebration 2011 (Brief Progress Report)

As we have informed earlier, the first combined "Freshers' Meet cum KUT Celebration 2011" will be held on October 29, 2011 at Birla Science Auditorium, Lakdikapul. Since this is the first time a combined event is being planned to celebrate the Freshers' Meet and KUT Celebration under the aegis of KSO (H), KSO (H) executives have worked very hard during the past couple of weeks in trying to raise funds as well as make the necessary arrangements so that we can celebrate this upcoming event at a large and befitting scale.

The responses, encouragement and support we have received from the all the members and especially the family members have been phenomenal and we would like to express our sincere thanks to all of you even at this stage even as we still have *some more miles to go* to make this day a memorable one for all of us.

As we step into the last second week before the D-day, we would like to present the key highlights of the programme as well as the overall progress of the preparations till date as below -

- Birla Science Auditorium has been booked for the day and is waiting for us to (over) fill its four walls with our shouts of Li Li Li...Ho Ho Ho...
- The programme for the event has been finalized and the initial copies to be given to the special invitees and other organisations have been printed. You will also receive your copy soon.....
- Mr. K. Venkateswara Rao, (DCP, Alwal Zone), Mr. Dinya Charan (Addl. DCP, Cyberabad), James Singson (IRS), Themnu Changsan (IRS) and P. Misao (Deputy Commandant, CRPF) have all agreed to grace the occasion as Chief Guests. We convey our special thanks to Rev. Paothang Haokip, Pupu Misao & Pu. Letkholun Suantak for their help in the invitation & finalization of the Special Guests.
- KSO (H) is undertaking a visit to our family members and the following family members have generously agreed to contribute in cash or kind for the event so far -
 - Pu. Doumang & Family - Auditorium Booking Charges (Rs.10,000)
 - Pu. Thanglun & Family - Auditorium Booking Charges (Rs. 10,000)
 - Pu. T. Changsan & Family - Refreshment (Rs.10,000)
 - Pu. Pupu Misao & Family - Drinks (Rs. 5000)
 - Pu. Seingam & Family - Music System (Rs. 5000)
 - Advisors (Pu. P. Misao & Family and Pu. Letkholun & Family) - Banner & Misc. Expenses

We are still in the process and all family members whose names are missing the list above, kindly expect to see us soon....

- We also express our sincere thanks to KWS for the contribution of Rs. 6000 towards the event
- Various cultural troupes & artists have already started their regular practice sessions to thrill you with their moves and songs. Then, you gonna see for the first time - our family couples walking the ramp with our traditional attire on this very day. So get ready to be blown away! The rehearsals for the bands/special artists will take place the week before the big day. Kindly check with the cultural secretary during that week for your allotted slot.
- We are still trying to rope in some corporate sponsorship for the event although we couldn't do much because of the limited time. So far, Red Bull has agreed to be part of the event and we hope to see more interest during the coming weeks.

This is just a brief glimpse of the progress so far. For detailed & regular updates, please visit our Facebook group or our website (www.ksohyderabad.com).

Once again, this is your KUT, my KUT, our KUT and its Chavang KUT. So, let us all join hands and work together to make this event a grand success. Let's not wait and watch or expect to be entertained but let's all contribute what we can, entertain ourselves and enjoy ourselves because its our KUT...And together, let's make this upcoming event and festival of ours, the best we all ever had!!

On behalf of KSO (H) Executives

Francis O Haokip,

Kuki Simlai leh Nampi (From the General Secy's Desk....)

Amasan Hyderabad tolpi sung a um Kuki chate jouse kajana salam kahin pe in ahi. KSO(H) hi ahinabang tah le adoi atup subbulhing nading in mipite adeh a themjil ho kahin tem in ahi.
